

## Southern California Edison Company

### Affiliate Transaction Compliance Notice: **New Affiliate Report** (6B Report)

Notice is hereby given that the entity named below has been created. This entity is indirectly a subsidiary of Edison Mission Energy and is an affiliate of Southern California Edison Company as defined in Rules I.A and II.B of California Public Utilities Commission Decision 97-12-088:

Name of new affiliate: EcoElectrica L.P.

Date this affiliate was created: March 21, 2000

Headquarters: Plaza Scotiabank,  
273 Ponce de Leon Avenue, Suite 902,  
Hato Rey, Puerto Rico 00918

Primary Officers: President - Raul A. Perez  
Directors - James V. Iaco, Jr.  
Mark Irwin  
David L. Haug  
James V. Derrick, Jr.

CPUC Contact: James A. Kelly, 626-302-2284

Intended Function: Owns and operates various energy producing facilities in Puerto Rico.

SCE has provisionally classified this affiliate as a:  
 Class A affiliate, subject to the rules adopted by CPUC Decisions 97-12-088 and 98-08-035  
 Class B affiliate, not subject to the rules adopted by CPUC Decisions 97-12-088 and 98-08-035

SCE has made this classification on the basis of the following:  
EcoElectrica L.P. owns and operates various facilities in Puerto Rico that produce and/or supply electricity and electricity related products.

This information is provided pursuant to Rule VI.B of the Affiliate Transaction Rules adopted in CPUC Decision 97-12-088.

**Notice to Southern California Edison employees:** This form must be completed immediately upon creation of a new affiliate. This form should be forwarded electronically to SCE's Regulatory Compliance Division via the Microsoft Exchange address: AFFILI8 or affili8@sce.com.
