RE: Veteran's Name: Vardon, Kenneth
SSN/SN: 36936-██████████
Case Reference Number: 2001-237-641

Thank you for contacting the National Personnel Records Center. We have been unable to locate your military service record. The military record was removed from the file area in order to respond to a prior inquiry. Although we have conducted an extensive search, we have not been able to locate the record. Please be assured that we will continue to do all that is possible to locate the information you requested. The file area has been marked and upon locating the record, a copy will be furnished to you as expeditiously as possible.

We contacted the Department of Veterans Affairs (VA), and we were able to obtain your separation document that they had in their files.

Separation documents may include the following information: the type and character of discharge, authority and narrative reason for separation, reenlistment eligibility code, and separation program designator/number. A seal has been affixed to the separation document to attest to its authenticity.

We regret any inconvenience you have experienced because of this matter and thank you for your patience and cooperation.

We have made every effort to assist you within the constraints of our resources. If you have questions or comments regarding this response, you can reach me at (314) 538-2084 or by mail at the address shown above, Attn: NRPM-1D. Ensure you include the Case Reference Number listed above. All new requests for information or documents, or requests that pertain to other veterans, must be made in writing to the address shown in the letterhead above.

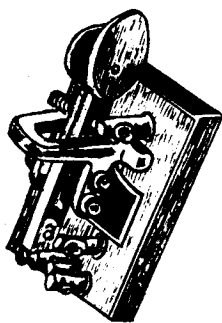

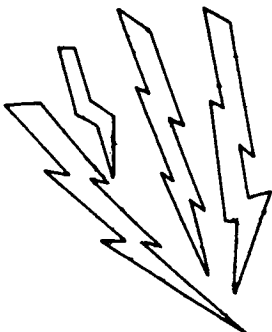

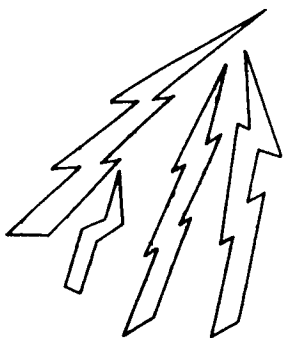

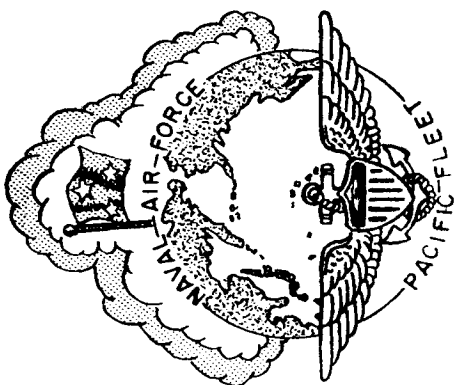

Sincerely,

A handwritten signature in cursive script, appearing to read "Carol J. Vaughn".
